

PROGRAMS FOR PEOPLE WHO HAVE PRIMARY MENTAL HEALTH DIAGNOSES

Acadia Healthcare's Treatment Placement Specialists® (TPS) team provides complimentary treatment guidance and referral services for people of all ages and genders who are struggling with mental health disorders. Working directly with healthcare providers, TPS are experts in locating residential mental health treatment programs that best meet your clients' unique needs. With access to clinically excellent residential mental health treatment programs both inside and outside Acadia Healthcare's formal network, the TPS team can assure that your clients receive compassionate care that promotes lasting healing.

DUALLY LICENSED TREATMENT PROGRAMS:

Dually licensed treatment programs are led by interdisciplinary teams of caregivers who can address dual diagnoses simultaneously, ensuring a holistic approach to healing. With specialized teams and personalized care plans, these programs offer comprehensive support that increases the likelihood of long-term success.
